Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Wednesday 31 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Staying mostly clear and dry tonight and tomorrow.

This Evening and Tonight:
A dry evening and night, with light winds. A mix of clear skies and patchy cloud from the late evening into the small hours. Feeling mild tonight and turning slightly breezier around dawn time. Minimum temperature 7 deg C (45 deg F).

Thursday:
Still feeling rather warm with light winds, breezy along coasts. A dry day with plenty of bright or sunny spells as clouds disperse into the afternoon. A chilly night ahead. Maximum temperature 20 deg C (68 deg F).

Outlook for Friday to Sunday:
Dry with sunny spells on Friday and Saturday but the nights will be colder, bringing a likelihood of frost. Initially dry on Sunday but turning wet and windy later.
